

# Aslockton Cranmers FC Orston Project Buy a Brick Campaign

We intend to build a new pavilion at our home ground in Orston. This pavilion will replace our old wooden pavilion which is unfit and unsafe for use. This is a desperate need for the club. Our pavilion will be used not only by our football club, but will also be available to the local community. It will include a clubroom, with toilets and a kitchen area, as well as changing facilities with showers and toilets. This project will have a huge impact on sport in the local area, benefitting not only members of this club, but young people and adults in the local area also.

Designed specifically to be displayed on either the internal 'Wall of Honour' or the external 'Walk of Fame' pavement, both will signify your contribution and support in building the new pavilion. Get your family name, company title or even a special supporting message set in the annals of time by securing your very own piece of history.

Our existing pavilion

Fundraising for the Orston Project so far has given us over £60,000. We have a target of a further £50,000 to raise in order to complete our project. Our target for the Buy-a-Brick Campaign is to raise £20,000. Fill in this application form, or contact us, to donate your personalised generosity towards our project.
